

Classic timeless styling

JetFlash™ V90 *Classic*

Keychain Flash Drive

Transcend's V90 Classic is no ordinary flash drive. Its impossibly slim silhouette and shiny silver finish possess a unique look of sophistication. In fact, the V90C looks so much like a fashion keychain that nobody will even suspect its true high-tech identity.

Carry your data with a touch class. The V90C features 4GB of memory and distinctive faceplate patterns that express your individuality, making it a luxurious addition to any set of keys, wallet or purse.

Not only does the JetFlash™ V90 Classic offer timeless distinctive styling, ultra-portable keychain size, and a wealth of useful data management features, it is also backed by Transcend's industry-leading lifetime warranty.

PC-Lock

PROTECT YOUR COMPUTER WITH CONFIDENCE

Use your JetFlash as a key to lock your desktop or notebook computer and prevent others from accessing your data while you are away. Simply unplug the JetFlash to lock, and plug it back in to unlock.

Secret-Zip

POWERFUL SECURITY WITH ENCRYPTED FILE-COMPRESSION

Compress your saved files to maximize memory storage space and/or protect your data using a password with powerful 256-bit AES Encryption. Now you can securely store your files while saving space at the same time.

E-Mail

TAKE YOUR E-MAIL WITH YOU AND ACCESS IT WHEREVER YOU GO

JetFlash allows you to store your E-mail for easy access when traveling. Securely send, receive, and save your email using any compatible computer – without leaving any trace of your correspondence for others to find.

AutoLogin

CONVENIENT ONE-CLICK USERNAME AND PASSWORD ENTRY

Login to websites with just a single mouse click when you set the AutoLogin feature to instantly enter your Username and Password for you on sites that you have registered accounts with.

Favorites

WHEREVER YOU GO, YOUR INTERNET FAVORITES GO WITH YOU

The Favorites function saves a copy of all your Internet Explorer Favorites on your JetFlash, allowing you to plug your JetFlash into any compatible computer and browse your websites just like you would at home.

DataBackup

NOW YOU CAN ALWAYS KEEP YOUR FILES UP-TO-DATE

Automatically backup, restore, and synchronize your important data. Once a backup is created on your JetFlash, DataBackup allows you to instantly update the backup with any modifications you might make in the future with a single mouse click.

My JetFlash

A SHORTCUT TO ALL YOUR JetFlash™ DATA

Just one easy click opens the data contents of your JetFlash, So you can manage your files quickly and easily.

- ★ Supports Windows® Me/2000/XP/Vista™ only
- ★ You must download the JetFlash elite software from www.transcendusa.com to enable these features
- ★ To use PC-Lock and AutoLogin you must log in to the computer you are using with Administrator rights.
